2017 CONVENTION GREEN EXHIBITOR AWARD

The Green Exhibitor Award was introduced in 2014 in order to encourage Convention exhibitors to consider sustainability in their stand design and exhibition strategy. Exhibitors are encouraged to build with sustainable materials, incorporate outreach or CSR into their approach, reduce packaging, give sustainable gifts and goodies, and generally reduce the environmental footprint of their stand.

The winner receives a beautiful trophy to display in their office and is given a complimentary exhibition stand in their choice of position the following year.

The judges are Riaan Coetzee (Actuarial Society of South Africa), Gavin Heron (Earth Probiotic), Kogie Naidu (Sandton Convention Centre), and Renee Lukin (African Agenda). Stands will be reviewed against the award criteria and the winning exhibitor will be announced during the opening plenary session on Wednesday, 18 October.

The Green Exhibitor Award Winner in 2016 was SA³ and we thank them for their commitment to sustainability at the Convention. Best of luck to all of the 2017 competitors!
