2020 Convention
7 - 8 October
Cape Town International Convention Centre

Call for Papers and Speakers

Amidst the unusual and challenging times, the Convention Organising Committee is excited to announce that the call for Papers and Speakers is now open for the 2020 Convention!

As with previous Conventions, thorough procedures will be followed to ensure that the most relevant, interesting and pioneering topics are chosen. If you have an idea for a topic that you would like to explore and share with the Actuarial community, we would like to encourage and invite you to submit it. Please refer to the Call for Papers document on the [website](#) for more details and to make your submission.

Sponsorships and Exhibition

We would like to take this opportunity to extend our heartfelt gratitude to our partners. The annual Convention is the biggest networking and knowledge-sharing event on the ASSA calendar, and would not be possible without your support.

SPONSORS AND EXHIBITORS

Opportunities are still available for companies or organisations wishing to partner with us in producing yet another successful Convention. If you are interested in promoting your brand and sharing your vision, please contact Jason Rade on +27 (0) 72 099 1785 or jason@africanagenda.com.

We look forward to collaborating with you!

Regards
