Partner with us

The Convention Organising Committee would like to invite interested organisations and companies to partner and collaborate with the Actuarial Society of South Africa in the first Virtual Convention.

We are making new types of space for sponsors and exhibitors, our valued supporters who make the Convention possible each year, to share your products, services, and solutions. We will help you adapt to virtual, with advice and guidance to make sure your presence stands out and that you can have those great conversations with potential clients.

If you would like the opportunity to be a part of the event please view the sponsorship and exhibition prospectus which can be downloaded from the Convention [website](#).

As excitement is building, be sure to watch this space for more information on the Convention coming soon.

Regards
