Description	<p>Following the great success of PIAfrica 2019, the 4th edition of Pension Funds and Alternative Investments Africa Conference is confirmed for 19 – 20 March 2020 in Mauritius.</p> <p>PIAfrica 2020 will bring together key stakeholders from the sector across Africa, industry experts and speakers for 2 days of intense debate & high-level networking. PIAfrica has been designed to provide a comprehensive view of pension funds and African Alternative investment market. Attendants will have the opportunity to witness high level sessions presented by Central Banks and Government leaders. Leading Pension Funds and Investment Companies will share their views on the current investment climate, the strategies to overcome existing challenges and the opportunities available to savvy investors. The two-day conference aims at promoting alternative investments and diversification in the portfolio of pension funds and asset managers.</p> <p>Finally, this edition will include many leisure activities (Golf, Catamaran), attendants will have the opportunity to be part of networking sessions, and sponsors will be granted private rooms for meetings.</p> <p>#PIAfrica  </p>
