OF SOUTH AFRICA

QUANTIFYING RISK, ENABLING OPPORTUNITY

BANKING SYSTEM

GOVERNMENTS

PEOPLE

Public Interest Actuary

Establish the structures necessary to support ASSA's public interest work.

To build relationships with key people in government

Coordinate and initiate targeted research and/or specific projects to inform public discourse

To build relationships with key external stakeholders and ensure the necessary visibility of ASSA public interest initiatives.

ASSA goals

Attract and retain the best talent

Enhance student engagement

Position ASSA as Global leader in the development of context-based solutions

ASSA Banking Seminar

Public Interest focus LK Mulaudzi

July 2019

The role of SARB

Expropriation of Land

Financing small businesses

Homeownership

Questions to address

What are the implications of the ANC conference resolution re SARB?

What are the implications of the ANC conference resolutions on land reform?

What should policymakers do so that small businesses can become catalysts for economic growth?

What more can be done to promote home ownership as a catalyst for wealth creation?

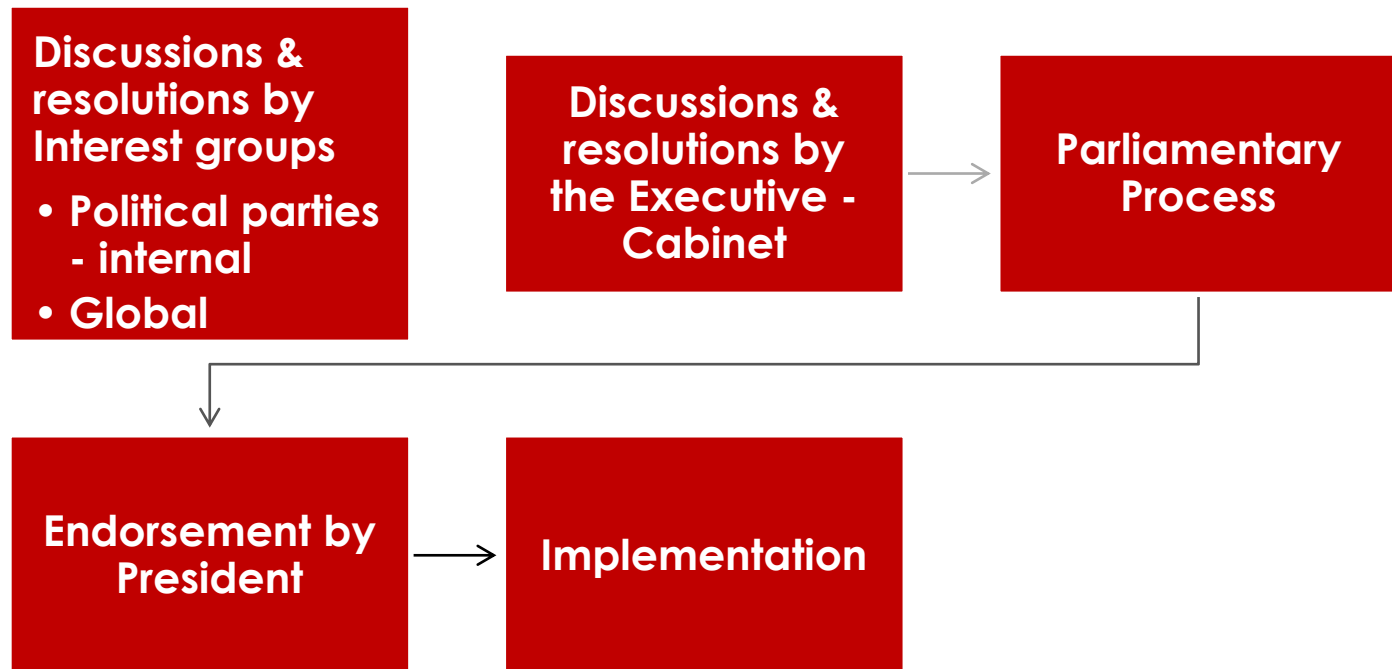

What to do?

Consider which of the public interest issues to focus on

Research, discuss and formulate potential solutions

Work with Public Interest Actuary to identify suitable external forums for presenting/publishing ideas

Polycymaking process

Role players in policymaking

NGOs and CBOs

Political parties - internal

Global agencies

Labour formations

Research Institutions

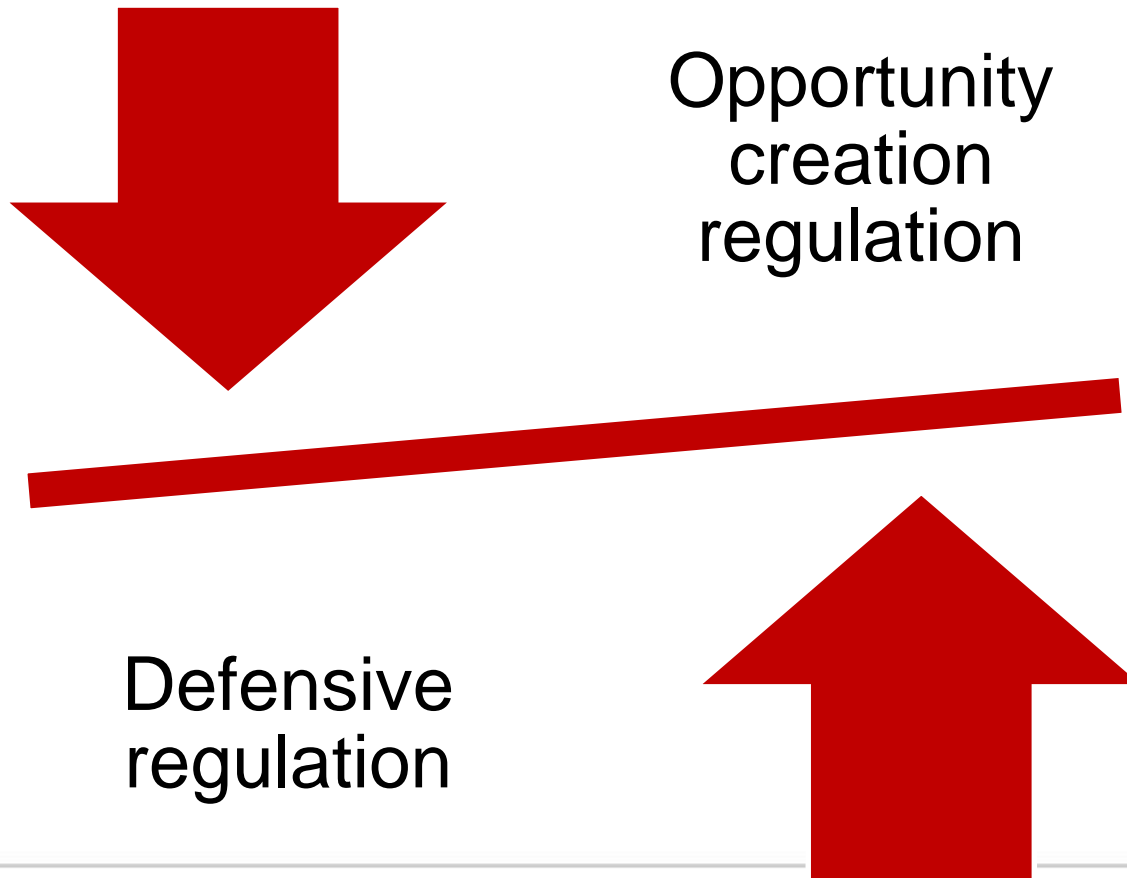

News media

Interdepartmental & Departmental committees

Commissions of Inquiry

Parliamentary committees

Rebalancing of focus
