

Delft Technical High School

STATEMENT OF NEED

FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

We are located in delft, but our school is categorise as a quantile 5 school and therefore we are not a No Fees School. Our school fees are as little as R800 per year, yet parents do not pay school fees; most of them cannot afford to pay it. The school's income comes mostly from the norms and standard that the Department allocates to our school yearly.

STATEMENT OF DESERVING

A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

Even though we are in a community, where gangsterism and poverty is so high, we have received excellent results over the years. In 2018 we achieved our highest matric pass of 85,3% and in 2019 it was 86,6%. We have been for 4 years apart of Die Burger top 20 schools in the Western Cape which is based on Mathematics and the schools' contribution towards the community. Last year the Mathematics team received an award for most improved for the Systemic tests.

STATEMENT OF WANT

REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

Papervideo have assisted us in so many ways. Our learners do not have access to a tutor or money to get assistance with the subject. I am available to assist them after school but most of them need assistance when they are studying, which happens during early hours of the morning and this is when papervideo becomes a huge help. Papervideo have increased their understanding and broaden their thinking to solve other problems on so many levels.
