

Matholamnyama Secondary School

STATEMENT OF NEED

FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

The school is located in a rural Area at Nkandla, having a large enrollment of 823 learners in total. All these learners are lacking the opportunity of being exposed to the modern, pedagogical and advanced teaching and learning ways and styles. Our learners are disadvantaged in terms of accessing quality education, constructive and competitive educational skills due to the shortage of relevant resources, insufficient funds, unavailability of libraries and sponsors.

STATEMENT OF DESERVING

A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

The school is highly in need and deserving sponsorship and support from paper video. Looking at that even in the absence of relevant resources, the school is managing all these years to obtain above 90% to 100% pass rate in Grade 12 results with bachelors and distinctions in key subjects like Mathematics, Physical Sciences, Life sciences and Accounting. Many learners have been produced by school who managed to obtain degrees in scarce skills such as Medicine, B.com accounting, Engineering, Physiology etc.

STATEMENT OF WANT

REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

The school is in need of a science laboratory or science kit at least, computer laboratory with access to the internet. Computers or tablets to be used by learners for online learning and to access relevant information through the use of internet. Covid-19 has caused a huge negative impact on teaching and learning. Technological resources or technology is expected to integrate learning and teaching. The country of South Africa is in need of rapid expansion of its scientific and technological skills
