

New Orleans Secondary School

STATEMENT OF NEED

FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

The school was one of the first brick walled schools built in that era and has a proud history of offering specialised subjects in the finer arts such as Dramatic Arts and Dance studies. Music is also offered but is offered in close collaboration with the Frank Pietersen Music School here in Paarl. New Orleans Secondary is a quantile 3, No fees school and serves a very poor community. New Orleans Secondary amidst the challenges, also has a history of being a school of excellence. We continually strive for excellence and boasts with many achievements on all spheres either academically, culturally or on the sport field. We are one of few classic clashes schools for Rugby sponsored by FNB.

STATEMENT OF DESERVING

A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

We at New Orleans Secondary are very committed to give our learners opportunities in life and expose them to as many experiences in life since most of them lack the resources and basic necessities. Regardless of this, we boast with many success stories and New Orleans Secondary has produced many local film stars (to name a few, Clint Brink, Jeffrey Moss, Redione Stephens, Solomon Titus and Bradley Olivier – seen in Binnelanders, The Ellen Pakkies story etc). We also had a Miss South Africa and runner-up in the Miss Universe Pageant by the name of Dr Tamaryn Green. The CEO of RCS card is Regan Adams with 1800 people he manages from all over the World. Our Matric class of 1997 boasts with seven engineers today and we can continue with this. For 8 consecutive years we produced A-candidates which is a direct reflection of our commitment to learning and effective teaching (see attachment of board with A-candidates).

STATEMENT OF WANT

REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

In 2019 we had 97 Grade12 learners enrolled for Mathematics and formed part of the schools who were selected for Paper Video. We therefore are aware of the immense advantages of having a tutor with a learner 24/7 on standby. Yes, because of the poverty level we have the challenge of learners and parents not having data at all or not having enough data. With the SD Cards, we've noticed in 2019 that more learners registered on the system to be working with the Paper video. We would be grateful if we are considered successfully to be part of your program.
