## STATEMENT OF NEED

### FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

Sixty percent of our parent community is unemployed. During the COVID-19 period, the little school fees that we received has dried up because of the hardships people are experiencing. Most of the teachers employed by the school's governing body have lost their posts.

## STATEMENT OF DESERVING

### A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

We have always strived for and achieved excellent results overall due to the commitment of our excellent teachers and hardworking learners. This commitment could be seen from the countless extra hours of tuition offered by our teachers, both after school and over the weekends. The Covid-19 pandemic has unfortunately been the cause of huge loss of contact time and for a school in our dire financial position it is a huge blow as we are not able to hire extra Maths and Science educators.

## STATEMENT OF WANT

### REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

Due to the Covid-19 pandemic we have unfortunately not been able to put in the extra hours that our learners have become accustomed to. The excellent Paper Video resources would make up for the tuition time we have lost by providing our learners with a "tutor at home". Our learners' parents are not able to afford tutors for those who are struggling or those who want to improve their marks. These resources have shown the ability to close the gap between the "haves" and the "have nots"
