## STATEMENT OF NEED

FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

Most of our learners come from single-parent households and where unemployment is rife. Additionally, our learners cannot afford basic stationery and other necessities to help with their studying. The school is also in need of an after-school program and Paper Video can serve as part of a much-needed tutoring program at the school.

## STATEMENT OF DESERVING

A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

We strive to make the school a center of excellence. We believe that learners should be educated holistically. We enhance critical thinking in order to prepare the learner so that they can be able work independently. The school's matric pass rate has been above 90% over the past decade. We also encourage learners to partake in extra curricular activities offered at school.

## STATEMENT OF WANT

REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

With Paper Video, learners will benefit because the program can be used effectively as an additional resource at school and at home. It can assist learners in subject tasks, tests, and exam preparation. Given the pandemic, this will be an excellent tool to enhance social distancing.
