

# Spine Road High School

## STATEMENT OF NEED

FINANCIAL CIRCUMSTANCES REQUIRING SPONSORSHIP

Our school is situated in the Mitchell's Plain area and services the surrounding areas of Portlands, Rocklands, Eastridge, Tafelsig, Lost City and Khayelitsha. The demographic of our parent population is considered to be historically disadvantaged.

Despite our country enjoying democracy for almost twenty five years, the socio-economic face of our school community remains severely financially constrained. Evidence of the latter lies in the large scale of parental unemployment as well as the large percentage of parents and learners who are dependent on SASSA grants coupled with severe challenges in the collection of school fees. The knock on effect of this continues to place a strain on the school's finances and budget projections.

## STATEMENT OF DESERVING

A REFLECTION OF THE SCHOOL'S CULTURE AND COMMITMENT TO LEARNING

At Spine Road High School, our academic performance complements our extra-mural programme. We believe that all learners should enjoy the benefits of BOTH the academic and extra-mural excellence that the school prides itself on.

## STATEMENT OF WANT

REASON FOR SPECIFICALLY REQUESTING PAPER VIDEO

Our vision is to create a Mathematics and Science focus school of excellence where learners can develop to their full potential holistically. Spine Road High School is a Mathematics and Sciences Focus School, focusing on Mathematics, Physical Sciences and Technology.

Our school have been using the Paper Video resources for the past three years and found it to be extremely helpful and of great benefit to our learners.
