dynamic and passionate team!***

QUALIFIED ACTUARY

Clientèle is currently looking for a qualified actuary. This position will involve the successful candidate running a small team and working closely with the Head of the Actuarial department, being responsible for items such as :

- Budgets and forecasting;
- Interacting with business to maximise value creation;
- Automation projects;
- Training / mentoring junior staff;
- Experience investigations for the Group;
- Embedded value calculations - Clientèle Life;
- Analysis of change in Embedded Value - Clientèle Life & Group;
- Valuations - Clientèle Life;
- Consolidation and analyses of Group results.

In addition to traditional insurance work, the successful candidate will also be involved with the newly launched Clientèle Rewards loyalty program, as well as other new initiatives currently being planned in the non-insurance space.

This position would be ideal for a candidate with the following;

- 10 years or more of insurance industry experience (at least 3 of which are post qualification), in particular, Embedded value and the analysis in the change thereof will be beneficial;
- Strong attention to detail;
- Good problem solving and analytical skills;
- Excellent communication and Excel skills;
- Experience with using actuarial modelling software such as Basys, Prophet or Moses, as well as experience with Qlikview or SQL will count in the candidate's favour.

A competitive market-related salary is on offer. If interested, please forward your detailed CV highlighting your experience in the above requirements to socalvert@clientele.co.za.

The Clientèle Limited Group is a diversified financial services group, listed on the Johannesburg Stock Exchange and is one of South Africa's leading direct distributors of financial service products. Over the past 20 years it has been successful in offering convenient and easy to understand financial services products to the public through various direct marketing and sales distribution channels. Clientèle has consistently been rated in the top 50 companies for sustainable growth and return on shareholder interests on the JSE.

Our Vision

To be South Africa's most reliable and valued financial services partner.

Our Values

Respect: Treating colleagues, clients and other stakeholders with respect, courtesy and fairness.

Customer Excellence: Connecting with our clients in a professional, ethical and focused manner.

Integrity: Adhering to high moral standards and being honest in all that we do.

Passion: Approaching every task with determination, energy and commitment.

Teamwork: Working effectively with others, utilising individual and combined strengths to succeed.
