

WE'RE LOOKING FOR BIG THINKERS WHO WANT TO MAKE THEIR SKILLS COUNT

Actuarial Manager (JG7)

Santam Structured Insurance team has an exciting new opportunity available for a Actuarial Manager. The position is based in Sandton, Johannesburg. Remuneration will be market-related and commensurate with experience and qualifications.

JOB DESCRIPTION

We are looking for a talented actuarial professional, with a specific focus on non-life reserving and capital. The successful candidate will be responsible for first-line actuarial work including regulatory reporting. Working closely with the senior management team, the successful candidate will be responsible for the development and maintenance of actuarial models. The scope includes performing actuarial calculations across multiple insurance and reinsurance entities in South Africa, Ireland and Mauritius. The successful candidate would also gain significant exposure to life insurance actuarial calculations, deal-making and structuring arrangements.

KEY RESPONSIBILITIES

- Responsible for first-line / corporate actuarial deliverables
- Regulatory reporting, including reserving and capital calculations
- Managing a team of actuarial analysts
- Production of management information, including reporting on risk appetite measures
- Ad-hoc analyses (actuarial investigations as required from time to time)

QUALIFICATIONS AND EXPERIENCE

- University degree in Actuarial Science
- Good progress with actuarial exams
- At least 5 years non-life insurance experience
- Strong reserving and SAM capital calculation experience

COMPETENCIES

- Results orientated
- Self-starter, problem solver and finisher
- Attention to detail
- Planning and organising skills
- Balancing conflicting objectives
- Ability to see the bigger picture

ABOUT THE COMPANY

Santam is the market leader in the general insurance industry in Southern Africa. We are a large, diversified, expanding and transforming company and whilst based in South Africa, we are rapidly moving into a number of emerging markets, both in Africa and Asia.

Our success is rooted in our passion for our clients and everything we do is centered on our delivery of insurance good and proper. We're about people. People drive our business so it follows that we want to recruit the best people possible whether they work for us permanently or for a short time as temporary employees.

At Santam we are committed to transformation and embracing diversity. This commitment is what drives us to achieve a diverse workplace with employment equity as a key goal to create an inclusive workforce, representative of the demographics of our society. In achieving our employment equity goals we give preference to applicants from the designated groups in alignment with the divisions Employment Equity targets.

TO APPLY FOR THIS VACANCY

Qualified applicants are invited to submit their cover letter, CV and salary requirements in MS Word format to recruitment_thelma.phasha@santam.co.za. Should you be aware of a qualified individual, please pass this vacancy on to them.

People with disabilities are welcome to apply.
