

Junior Actuarial Analyst: Non-life Insurance (x1) Junior Actuarial Analyst: Life Insurance (x1) Johannesburg, Sandton

Santam Structured Insurance team has two exciting new opportunities available for actuarial professionals. The positions are based in Sandton, Johannesburg.

WHAT WILL YOU DO?

We are looking for talented actuarial professionals, with a specific focus on valuations and capital. The successful candidates will be involved in first-line actuarial work including regulatory and financial reporting. Working closely with the senior management team, the successful candidates will be key in the development and maintenance of actuarial models. The scope includes performing actuarial calculations across various local and foreign insurance and reinsurance entities.

WHAT WILL MAKE YOU SUCCESSFUL IN THE ROLE?

Duties will include, but not limited to:

- First-line / corporate actuarial valuation of technical provisions
- Regulatory capital calculations including forecasts under the ORSA
- Ad-hoc analyses – actuarial investigations as required from time to time

QUALIFICATIONS AND EXPERIENCE

Junior Actuarial Analyst: Non-life Insurance

- University Honours degree in actuarial science
- Good progress with actuarial exams
- Non-life insurance experience not required, however is an advantage

Junior Actuarial Analyst: Life Insurance

- University Honours degree in actuarial science
- Good progress with actuarial exams
- Life insurance experience not required, however is an advantage

KNOWLEDGE AND SKILLS

- Ability to work under pressure
- Deadline driven
- High attention to detail
- Excellent interpersonal and communication skills
- Effective time management skills

BEHAVIOURAL COMPETENCIES

- Results orientated
- Self-starter, problem solver and finisher
- Planning and organising skills
- Balancing conflicting objectives

WHO WE ARE:

Santam Structured Insurance is a specialist insurance structuring financial institution offering partners and clients individually designed financial solutions. The company uses a portfolio of on and offshore insurance licenses and a highly specialised skill set to create tailored financial solutions aimed at optimising capital structures and enhancing profitability.

Our success is rooted in our passion for our clients and everything we do is centered on our delivery of Insurance Good and Proper. We're about people. People drive our business so it follows that we want to recruit the best people possible whether they work for us permanently or for a short time as temporary employees.

At Santam we are committed to transformation and embracing diversity. This commitment is what drives us to achieve a diverse workplace with employment equity as a key goal to create an inclusive workforce, representative of the demographics of our society. In achieving our employment equity goals we give preference to applicants from the designated groups in alignment with the Divisions Employment Equity targets.

TO APPLY FOR THIS POSITION

Suitably qualified candidates are invited to send an e-mail to Thelma.Phasha@santam.co.za. Please note that this appointment will be made in line with the Divisional Employment Equity targets.
