# VACANCY ACTUARIAL MANAGER

---

The Box Fashion, a sister company of Platinum Life, is South Africa's first and only accessories membership service company that provides our clients with the latest fashion trends and styling advice for life. This has allowed us to turn our revenue into an annuity-based income stream much like the insurance industry.

We are looking for a creative individual, seeking to test their actuarial and statistical talents in an alternative environment that will help them expand their technical profile.

This role will provide you with exposure to management and key individuals. It is a demanding but rewarding role that will require the candidate to be dedicated and detail-oriented in order to establish and improve the required actuarial and mathematical tasks.

## RESPONSIBILITIES:

- Embedded value calculations and modelling.
- Expense analysis.
- Persistency analysis.
- Cash flow and related projections.
- Investigations to validate the bases of underlying valuations.
- Create and maintain business reports to direct thought processes that drive action.
- Continuous process improvement and strategy evaluation.
- Ensure that all actuarial processes are performed as effectively as possible.

---

## MINIMUM QUALIFICATIONS:

- Be a qualified Actuary with at least 4+ years of actuarial experience.
- The successful candidate must have strong technical experience in actuarial techniques, calculations and principles.
- Ability to conduct financial analysis, compile reports and provide adequate interpretation of results.

---

## COMPETENCIES:

- Excellent verbal and written communication skills.
- Highly accurate.
- Trustworthy and loyal.
- Results-driven.
- Energetic and proactive.
- Leadership skills within own team and cross functionality.
- Programming.
- Produce a high standard of work.

## ADDITIONAL INFORMATION:

- Closing date: 27 April 2021
- Remuneration for this position will be negotiated based on the successful candidate's experience.
- Above market related salary package to be expected.
- A 3-month probation period will apply.
- Send us your CV accompanied by a motivational letter to: [joseph.slotow@theboxfashion.co.za](mailto:joseph.slotow@theboxfashion.co.za)

---

## ADVANTAGEOUS:

- Experience in an assumption setting environment, auditing or consulting experience would be a distinct advantage.
  - Experience in leading a team would be a distinct advantage.
  - Experience and a passion for data science.
  - Strong programming and query writing skills in MS SQL.
-
