My name is Alex Acheampong from Ghana. I saw X-PLORE in the daily news paper on feb.2014 and I made up my mind to contact the officials to help me travel to study. The staff workers are very good. They assisted me in all the process and even went with me to the embassy to submit my visa application. I thank all the staff of X-PLORE for their effort and perfect kindness especially madam Angela.

I strongly recommend that all students contact X-PLORE about their plans to travel abroad ,study and work. Thanks!

I just obtained a student visa to the UK and will be traveling within hours. X-PLORE to me is the best educational consultancy. X-PLORE will take time to listen to you, work with your suggestions and be patient when you insist on something simply because you are ignorant about certain things. I enjoyed your service.

Thank you!!
