

31st International Congress of Actuaries

VICA exclusive edition | www.virtual-ica2018.org

Dear Sir or Madam

Another highlight of the International Congress of Actuaries will be the very first Virtual ICA. Thanks to the support of a number of institutional partners from the actuarial community as well as several Sections of the IAA, many sessions from the stages in Berlin will be broadcast live online and provided as recorded sessions afterwards. This allows a much broader audience from all over the world to follow the high-value content presented during the ICA and helps to secure this knowledge in a sustainable manner. Not only will it be possible to follow the regular ICA program online on the VICA platform but additional exclusive content will also be available.

VICA Platform

The Virtual ICA 2018 will present more than 150 hours of first class scientific content from eight lecture halls in Berlin. Furthermore, due to the success of the Call for Papers, the VICA will also feature many exclusive recorded sessions as online presentations by qualified authors to whom the ICA could not offer a presentation slot in Berlin.

Finally, the VICA platform is online! From now on you will already find 40 of these exclusively recorded sessions on the platform. Make sure to visit www.virtual-ica2018.org as soon as possible.

Live Streams from Berlin

In general, the VICA program includes all 5 informative and interesting plenary sessions such as Future of Longevity, Future of Insurance, Future of Low Interest Rate Environment, Future of Mobility and Future of Regulation. Several well-known invited guest speakers from both academia and practice will be broadcast as well as many presentations from further experts from around the world. The first Virtual ICA 2018 Congress Program gives a comprehensive overview on the VICA program with a list of all live stream sessions and the additional content.

How to Access

Members of the IAA Sections AFIR-ERM, ASTIN, IAALS (LIFE) and IACA (Consulting) get access to the VICA at no extra cost. A Section membership is available for anyone who is interested for the very reasonable annual fee of CA\$50.00, which also includes several other attractive benefits. If you also want to join the VICA become a member of at least one of these IAA sections.

Information on how to become a member can be found on [the IAA website](#). Once you are a Section member you will get an individual registration code via email.
