## 2018 Convention

24 - 25 October

Cape Town International Convention Centre, Cape Town

### Convention Update

Excitement is rising as the convention draws closer, and nothing excites the Convention Organising Committee more than having received 60 topic submissions, including 16 paper proposals! A big thank you to everyone who made a submission.

The venue for the cocktail event has been established, and we are pleased to announce that the event will take place at the Shimmy Beach Club and will follow a similar style as that of previous years. For a sneak preview of the venue, please click [here](#).

We are thrilled to announce that Jeremy Gardiner has agreed to present again this year. His talk regarding the General Economic Update last year was voted the best presentation by the attendees, and we look forward to hearing his insights at the Convention this year.

Please note that the Convention website has moved and can now be found on the Actuarial Society of South Africa's website, by following the link <https://www.actuarialsociety.org.za/assa-convention/>.

Registrations for the Convention will open soon, so watch this space.

Regards,

The 2018 Convention Organising Committee
