2017 Convention Wrap-up

So much happened at the 2017 Convention and it was, as you no doubt noticed, a huge improvement on the 2016 Convention. The following infographics relate the 2017 Convention back to 2015 and 2016. Some highlights:

- Delegates who attended the Convention loved the *Developing the Skill of Inclusion* workshops.
- Our innovative Fintech Spotlight session was once again a huge hit.
- The Economic Update was exceptionally well received.
- A huge effort to improve the quality of presentations paid off.

However, it doesn't take an actuary to read from the data that we have some key aspects to still improve on:

- Lunch and Refreshments.
- Dinner and Cocktails.
