### Save the Date

Compliments of the Season!

The New Year has kicked off and with it the planning for the 2019 Convention. The dates have been confirmed for 22 - 23 October 2019. Please be sure to save these dates in your diary.

### Highlights of 2018 Convention

The results from the survey show that over 90% of attendees that completed the survey, rated the Convention as good or excellent. We have received some useful comments, as well as compliments and suggestions, and would like to thank all parties that participated in the Convention.

Some of the highlights included the plenary sessions presented by Alain Peddle and Jeremy Gardiner, as well as the closing plenary by Professor Thuli Madonsela. Praise was received with regards to the overall content this year, with numerous attendees commenting that at times, it was hard to choose between concurrent sessions.

The Cocktail event also went down very well with those that attended, especially where the venue was concerned.

There might be a few changes and surprises coming this year, so please watch this space.
