

Converting/Moving my profile to a Student Member

After a member profile has been created members cannot change their membership category as this need to be actioned by the ASSA office. Requests can be sent to memberservices@actuarialsociety.org.za.

Convert from an Event delegate, or Non-member to a Student applicant membership

Exam candidates may write only the A211 – Financial Mathematics exam as a non-member while all other exams must be undertaken as an ASSA student member.

Member will need to update these field on their member profile: (Title, Race, Gender, Home Language, Disability Status, Date of Birth, ID Number Type and ID number (upload docs in the member system), Nationality, Province, Citizenship) and let us know when it is done so that ASSA can validate the information and convert to non-member.

NB: Please do not create another profile as you will end up having a multiple record that are not allowed.
