JOB ADVERT

ACTUARY/SENIOR ACTUARY (EMPLOYEE BENEFITS)

THE COMPANY

SNG ARGEN Actuarial Solutions provides a range of actuarial consulting services and advanced solutions, striving to provide an outstanding service to our clients. In addition to our public and private South African clients we also provide actuarial consulting services in several other African countries. For further information visit www.sng-argen.com.

We work in a relaxed and informal environment as a team of 10 actuaries and around 40 students and support staff with offices based in Pretoria (Centurion), Kroonstad and Hyde Park.

THE ROLE

The position for an Actuary (or Senior Actuary) has become available to ensure continued service of the highest quality to our clients. The team of students that will support the Actuary is based in Kroonstad, with some work performed together with the Hyde Park and Centurion teams. The role will therefore be mostly remote, with access to either of the other offices.

The successful candidate will report to the Actuary responsible for the Kroonstad office. His or her main responsibility will be to act as Valuator and consultant to employee benefit clients. The role will include:

- Compiling retirement fund valuation reports for statutory and other reporting purposes.
- Serving as peer review actuary.
- Actuarial consulting services for retirement funds.
- Advice on pension reforms and benefit changes.
- Performing IAS19 valuations, or reviewing the same as Auditor's expert.
- Liquidation of retirement funds. *
- Overseeing outsourced retirement fund projects, e.g. data rebuilds, termination of dormant funds, etc.
- Actuarial calculations for individual loss assessment matters (e.g. Road Accident Fund claims). *

THE REQUIREMENTS

- Fellow of the Actuarial Society of South Africa with at least 5 years' post-qualification experience.
- A self-motivated individual capable of working in a remote team environment.
- At least 5 years' work experience as an approved DC* valuator.
- Excellent communication skills (English) and ability to interact professionally with clients.
- Microsoft Excel, Access and Word proficiency.

Occasional travel outside Gauteng may be required for client meetings and staff visits in other offices.

* Preferred, but not required:

- DB valuator status.
- Approved Liquidator.
- Experience as expert witness in RAF cases.

APPLICATION

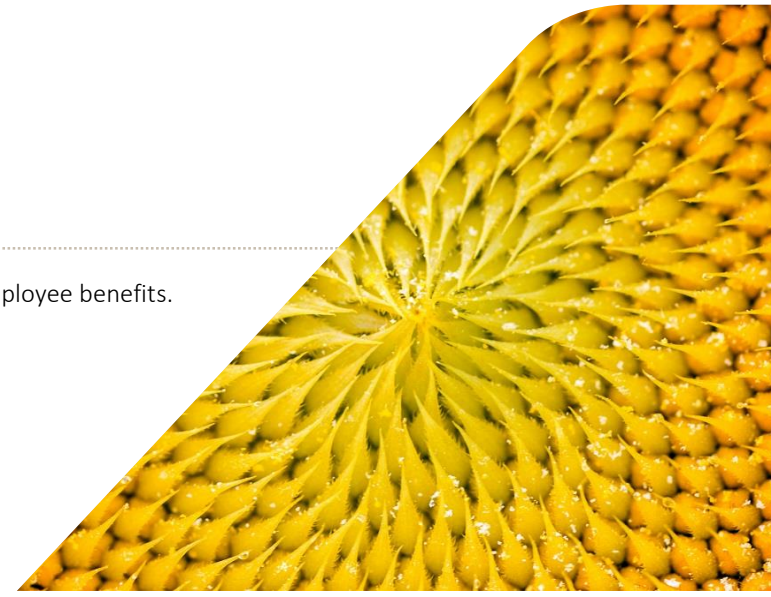

We offer a market-related remuneration package and extensive employee benefits.
